*Proceedings of the Dewan to His Highness the Maha Raja of Mysore, (Financial),—dated 6th January* 1882.

No. 7771-2—369, DATED 6TH JANUARY 1882.

ORDER.—It has been for some time under consideration to recognize, by the grant of a bonus, the good work done by Mr. McDonnell, Head Supervisor of the Government Distillery at Bangalore, and his establishments in securing a large increase in the arrack revenue of the Nundydroog Division as brought to notice by the Deputy Commissioner, Bangalore. The sales in this Division which were below the guaranteed amount in 1878—79 exceeded the guarantee by Rs. 67,000 in 1879—80 and by Rs. 1,09,000 in 1880—81. This result reflects credit on the vigilant supervision exercised by Mr. McDonnell. He is under the circumstances awarded a bonus equal to his 6 months' pay or Rs. 720. A bonus of 3 months' pay is also sanctioned to the subordinate establishments who worked under him during 1880—81 inclusive of the Testers employed at Tumkúr and Kolar. The Deputy Commissioner of Bangalore is requested to furnish an individual list of the persons who will receive the bonus under these orders giving their pay and the amount of the bonus they will be entitled to. Any subordinates however who, during the above year or subsequently, have been guilty of misconduct, will not be entitled to the bonus.

Sir,

With reference to para 2
of Government Proceedings No.

R.F. 260-92
ordering the withholdment of the
bonus belonging to my office,
pending the receipt of the Demand
Collection & Balance Statements
up to date, with credits certified
to by the Comptroller, I have the
honor to state that I have
fully explained in para 3 of my
letter

letter No. 850/107, dated 31st August 1893, and I now repeat, that no blame whatever attaches to my office in connection with the aforesaid Statements. These cannot fully tally with the Treasury accounts until the discrepancies pointed out by the Comptroller, are rectified by the Deputy Commissioners who were requested by me to mend them once for all in the Annual Statements for 1892–93. All the Deputy Commissioners have done so, except those of the Bangalore, Mysore and Hassan Districts. The explanations of the Deputy Commissioner, Bangalore, were received by me only on the 30th September 1893, and in reply thereto, I at once instructed him to make the necessary corrections and transfers in the Annual Statements. Copy of correspondence

* Ended to (4 Sheets) with Memo dt 15/9/93 with 117-92.

* Pink received 2/10/93.

Correspondence on this subject, is herewith submitted for information, as per particulars in the margin. The Deputy Commissioner, Mysore District, has reported that explanations for the discrepancies pointed out by the Comptroller, have been called for from the taluks concerned, and that, after the receipt of the same, they will be scrutinized in his office and the results duly reported. Copy of correspondence on this point also, as per margin, is herewith enclosed. Until all the discrepancies are rectified by the Amildars & Deputy Commissioners concerned, the Comptroller cannot furnish the requisite certificate, and it is therefore impossible for my office to submit the Statements immediately, with such certificate.

3. From the foregoing facts it will be clearly seen that the delay in the matter is not due to my office.

4. I beg to assure you that so far as the work in my office is concerned, no delay whatever takes place, and that, though the office is short-handed and under-paid, the officials manage to dispose of the work expeditiously, by attending the office overtime, and very often even on Sundays and holidays.

GOVERNMENT OF MYSORE

5. When the bonuses of all the other members of the department are at once disbursed, my office subordinates will naturally feel discouraged as if a stigma had been thrown upon them, by the withholdment of their bonus for no fault on their part.

6. Under the above circumstances, I beg that the Offg: Dewan may be pleased to reconsider his order under reply, and to sanction the bonus of my office being disbursed along with that of the other members of the Department.

The figures of April, May and June 1892 having been included in the Annual Statements of 1891–92, they should not have been included in the Statements for 1892–93, which are therefore herewith returned. In reply has the honor to observe that this office hereto

No

No. 3312-17/81, dated 12th December 1892, alluded to in the above contains no instructions whatever to prepare the Demand, Collection and Balance Statements of the year 1892-93 for 15 months. The memo refers to the Notifications for the sale of Arrack and Toddy vend farms for 15 months, viz. April May and June 1893, and 12 months of the official year 1893-94 beginning on 1st July 1893 and ending on 30th June 1894; and in para 2 thereof it is stated:—

"For the purposes of account,
"the proportionate amount for
"the first three months of the
"above period, should be taken
"into the current official year
"1892-93, and that for the remaining
"12 months as the amount for
"the official year 1893-94."

According to these instructions, the amounts of April, May & June 1893 had

had to be included in the Demand, Collection and Balance Statements of 1892-93 to which year those months belonged. It is no where stated in the official memo in question, (No. 3312-17 dated 12th December 1892), that the figures of April, May & June 1892 should be included in the Demand, Collection, and Balance Statements of 1892-93.

2. Moreover, it was laid down in this office circular No. 1531-38/341 dated 15th September 1892, that the Demand, Collection and Balance Statements for the official year ending 30th June 1892, should be prepared and submitted in printed forms 6 & 6.A. Accordingly the amounts upto 30th June 1892, were included in the annual Demand, Collection and Balance Statements of the official year 1891-92 which consisted of 15 months as per para 2 of Government Proceedings

2/

Proceedings No. 49/3211-50/36 dated 23rd May 1892. It is thus clear that there was no reason whatever to have prepared the Demand, Collection and Balance Statements of the year 1892-93 for 15 months, erroneously including therein the amounts of April, May and June 1892 which had already been shown in the Statements of the year 1891-92. Begs therefore that the Revenue Sheristadar and Accountants concerned may be warned to be more careful and punctual in the preparation and Submission of the Demand, Collection and Balance Statements.

This was explained in my docket No. 363 of 2nd September where I stated that full particulars under each head have been shown in the monthly accounts already forwarded to your office. Copies of Statements of Abkari Revenue (Revenue Serial No. 27) and of Sayer Statement for 1892-93 Submitted to Government were also sent to you with my letter quoted above for your information. Again, the same fact was reported in my office No. 416, dated 22nd September in his reply to your official memo No. 1022-27/56, dated 16th September 18 forwarding Chief Secretary's No. 4859/497 dated

dated 16th September. I may also mention here that as nothing more was heard about the Statement sent with my letter referred to above on the 2nd Instant from your office for three weeks, it was understood that it was accepted and that all the information wanted was only what was submitted. Then there was a telegram from the Government on the 23rd directing the Submission of the Abkari Annual Return to you and I replied to it that it was forwarded to you So far back as the 2nd Instant. Subsequent to that your docket under reply dated 23rd, despatched 25th calling for the return in the prescribed monthly forms 6 and 6A was received on the 27th. The Statements in the forms required are herewith Submitted. I regret that there should have been any inconvenience

to

to you and I have therefore pointed out above how it was brought about. A memo explaining variations in the figures of the enclosed Statement and those of the Treasury account is attached for your information.
